

CNY PRE-ORDER OUT-OF-STOCK?!

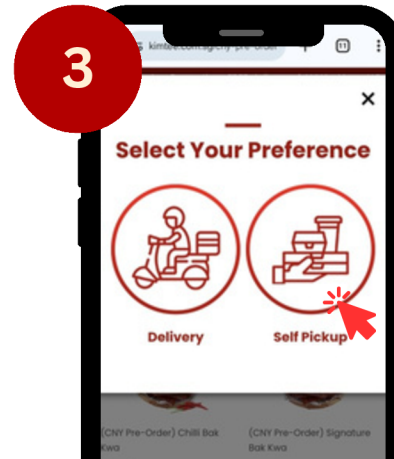

If you are seeing all pre-order items as being out-of-stock, not to worry.

This is because you are, by default, seeing stock availability for today - which for CNY items are indeed not available yet.

Here is what you can do to pre-order for CNY.

Visit www.kimtee.com.sg/CNY2026 & click 'PRE-ORDER NOW'.

Do NOT close this window. Select your choice of delivery or self-pickup. **CNY delivery fee of \$25 is applicable (or waived for order of \$760 and above)*

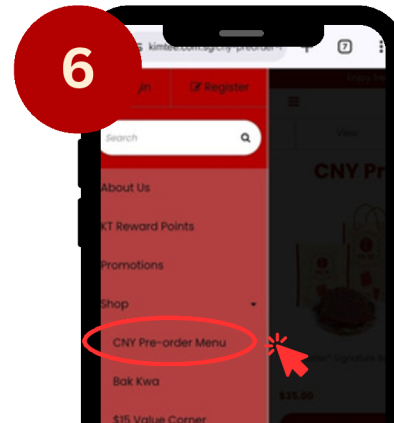

Do NOT skip this step. Select your choice of date between 26 Jan to 15 Feb.

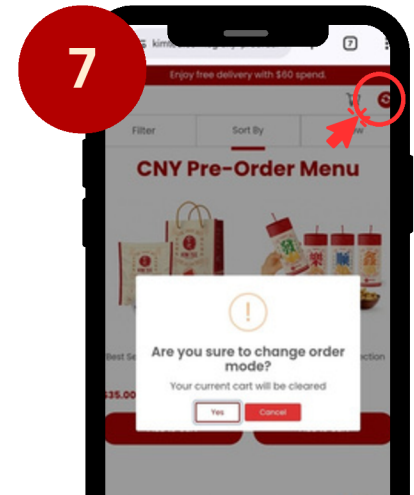

It is important to select a date FIRST so we can show you the stock availability for that day.

IF the date has not been sold out yet, you can now see the CNY items in-stock and add them to cart. **A minimum of \$228 is required to pre-order for CNY.*

Note that only items under this shop category 'CNY Pre-order Menu' are available for CNY pre-order. Please do NOT add items from other categories to your CNY pre-order.

To select a new date, click on the red refresh icon on the top-right. Note that this will also empty your existing cart.
